

Golden Rules

Year 1/2 Zoom sessions

- 1)  You must have a grown up with you to help you throughout the session

- 2)  Make sure that you are dressed with sensible clothes on in front of your friends.

- 3)  Make sure you are on time for the session. Just like in school the doors to zoom will be locked shortly after you arrive.

- 4)  Stay on mute unless your teacher asks you to unmute. This is to make sure that we take turns and so everybody has a chance to talk

- 5) raise hand If you want to speak raise your hand to tell your teacher that you are waiting. Just like in school, if we all talk at the same time it is hard to hear what our friends are saying.

- 6) It is ok to pass if you don't want a turn to talk. Just like in school. To let your teacher know, make a cross with your arms if you don't want a turn.

- 7) Make sure that your camera and microphone are switched on so that your teacher can see and hear you.

- 8) Just like you all always are, be kind and respectful of others and HAVE FUN!!!!!!!!!!
