Dear parents/guardians,

As the school council of Northway School we are writing to you, to talk about Golden play.

Golden play takes place on a Friday afternoon after assembly and we are able to take part in a variety of fun activities. This special time is a reward for all our hard work throughout the week and we have therefore agreed a few rules for golden time play.

We feel it is only fair that children who are not making the correct choices in school should lose some of their golden time or all of it if their behaviour continues. Together we have agreed that the following behaviour is unacceptable

- messing around and not concentrating in class
- talking when teachers are talking
- physically hurting someone on purpose
- repeatedly being unkind or calling someone names
- being rude and answering back.

As a school council, we have agreed that children should be given a warning before 5 minutes of their golden time is taken from them. If the unacceptable behaviour continues, they will continue to lose more of their golden play in 5 minute intervals. Children are able to earn their time back by making the right choices in school.

We have discussed this as a class and every child has agreed to sign the agreement to say they understand the rules of golden time.

Thank you for your time.
