

## Parents' Evening

Thank-you so much to everyone who attended parents' evening for supporting our restrictions to make this possible as a face to face appointment. It was so lovely to be able to welcome parents back in school. It was an excellent opportunity to be able to share how well everyone has settled in at the start of the year and for staff to introduce themselves.

Please return the data collection sheets ASAP, if you have not already done so, so we have the most up to date contact details for your child.

Please remember if you do need to contact school regarding your child, the year group emails are the first point of contact so that your child's class teacher is informed as soon as possible.

## Alder Hey PJ Day

THANK-YOU for all the donations today to support Alder Hey. **Together we have raised £481!** It was wonderful to see everyone looking so cosy in their pyjamas today and luckily no one fell asleep in class! Thank-you everyone for your generosity to support such a special cause.

## Y3/4 School Trip

Years Three and Four enjoyed a fabulous day out last week to Brockholes in the Lake District. It was the first school trip in over a year and a half so it was a very special day and one that was enjoyed by all. The children were a real credit to themselves and Northway throughout the day and we received many excellent comments from members of the public. Well done Year 3 and 4!

## DoodleMaths Winners!

Congratulations to the Year Five children in Mrs Phillips' class who have won the DoodleMaths Back to School Competition!

389 classes across the country entered the competition and they came first out of them all! What an AMAZING achievement! As well as their achievement in DoodleMaths, they also came in very high in the DoodleEnglish and DoodleSpell competitions.

Prizes will be arriving at school soon for them but we couldn't wait to share the news!

Congratulations again Y5s in Mrs Phillips' class!
