

# Northway Community Primary School

## Uniform Policy

Northway Community Primary School has a policy that all children should wear the school uniform. This helps to create a sense of community and identifies everyone as belonging to Northway. We are extremely proud of how smart children look in their uniforms and how they share the sense of pride in belonging to our school.

### Additional Information

#### **Swimming**

Children from Year 3 to Year 6 have the opportunity, at some stage during the year, to go swimming at the Maghull Meadows Pool. A member of staff, along with a qualified swimming instructor, provides instruction. It is a rule made by the pool management that all children must wear a swimming cap. One-piece swimming costumes or swimming trunks should be worn. Bikinis, tankinis, board shorts or surfer shorts are not permitted under any circumstances and the aquatics instructor may refuse the child to participate in the lesson if the correct swimwear is not worn.

### ***School Shoes***

School shoes must be black and fit securely around children's feet. Ballet pumps with no strap across can cause accidents when children are out at playtime or lunch. Trainers of any colour are not permitted.

### ***Jewellery***

It is not appropriate for children to wear jewellery to school, except for a sensible watch and a pair of small stud plain earrings if they wish to. Other items worn will be removed and kept safe until the end of the school day when they will be returned.

Earrings must be removed for PE and Swimming lessons. Staff are not able to remove them, and as such, if they come to school wearing them, they must be able to remove them themselves. If your child is not able to remove the earrings themselves, then they should be removed before they come to school. Ear piercing is recommended to be done in the six weeks' holiday so they can be removed for lessons. If a child has had them pierced outside of this and cannot remove them, they should make them safe by taping, front and back, to offer a measure of protection. Staff are not required to tape them so children must be able to do so or this must be applied at home before coming to school.

### ***Nail varnish, make-up and transfer tattoos***

These are not permitted. Lip balm is only permitted if you have spoken to your child's class teacher.

### ***Hairstyles***

Hair longer than shoulder length should be tied back at all times. Hair decorations, including bobbles, should be small and in the school colours of royal blue and white.

Hairstyles should be appropriate for school, i.e. no 'mohicans', no designs cut into hair or bright coloured hair.

### ***School Bags***

Children should use book bags for school. There is no reason for children to bring large bags into school. There is a shortage of space in the cloakrooms and large bags exacerbate the problem. If your child needs to bring a bag in for personal reasons, please speak to their class teacher.
