

UKRAINE APPEAL

We have shared different ways you can support the appeal for Ukraine and we continue to support our children in school with any questions or worries they may have. We want to involve our Y6 Team Captains in supporting raising money for the appeal which we will then donate to Unicef Ukraine appeal. Next Friday 25th March, the Team Captains will walk around at home time with buckets for you to donate in. Any loose change, no matter how small, will be greatly appreciated. We are very proud of our Y6 pupils for how responsibly they take their roles within school so please support them in collecting for the appeal.

ROAD SAFETY

There have been several emails from parents following my last newsletter to share their concerns over the road safety issues outside school. The problems raised include cars parking on the yellow lines, erratic driving, a lack of concern for pedestrians being able to pass the parked cars and cars parked on the bends resulting in pedestrians not being able to cross safely. Sefton Council have advised that parents should report issues directly to Merseyside Police via this email address- pavementparking@merseyside.police.uk They advised this is the best way to report the clear obstruction and this needs to include the licence plate, time and date. We want to educate families to ensure all remain safe on the roads. Please share the attached information at home to reinforce road safety messages with your children.

Dates for the Diary

Thursday 24th March at 3.30pm – Robinwood Meeting for Y6 parents

Friday 25th March – Ukraine donation collection at home time

Wednesday 30th March – Parents' Evening

School closes at 1.25pm for Reception and KS1. No afternoon Nursery session for Rainbows. KS2 collection is 1.30pm.

Friday 1st April – Finish for the Easter break.

School closes early

Collection at 1.25pm for Nursery, Reception and KS1. Collection at 1.30pm for KS2.

After School Club is available until 4pm on both early finishes.

Tuesday 19th April – School returns after the Easter break (Reception to Y6)

Tuesday 19th April – Nursery is closed for all current children in Stars. This is to allow children who are due to start this term to visit.

Wednesday 20th – Friday 22nd April – Y6 trip to Robinwood

MADCOS Football Season

A big well done to the boys' football team who have continued their football season over the past fortnight with a couple of league games away at Summerhill Primary School and Aintree Davenhill Primary School. The boys were drawing 2-2 with Summerhill thanks to two very well taken goals from Bobby but ended up losing the game 6-2. In arguably their best performance of the season, the team did everything but score against Aintree Davenhill and they were extremely unlucky to lose 2-0 after conceding a couple of late goals. All of the team played fantastically well in both games and it is clear to see the progress they are making with each game.

A big well done to the girls' football team who have also continued their football season with a couple of league games away at Holy Rosary Primary School and at home to Summerhill Primary School. Since their first game was publicised in school a couple of weeks ago, it has been great to see so many girls in Year 5 and Year 6 eager to play for the school team and they have all been terrific representatives of Northway. The team lost both games but the smiles on the faces of all the girls show how much they are enjoying their football and they clearly appreciate all of the amazing support they are receiving from the crowds on the sidelines. Chloe came so close to scoring against Summerhill that, if the team were playing under a roof, it would have been blown off!

We are extremely proud of how all of the children have represented Northway at their matches. Their team spirit and Northway values shine through.

The score lines are great but how the teams you play and the attitudes they display are what is remembered and recognised by all who have the pleasure of meeting our children at Northway.
