GOOD LUCK Y6!

Our Y6 cohort have gone above and beyond these last few weeks to prepare both academically and emotionally for their SATs. We are so proud of the perseverance they have demonstrated to conquer aspects of their revision they were not secure on and have had the courage to say what they need support with. We know next week they will do an incredible job showcasing all we know they are capable of. Their support for each other continually shines through and they will draw on this next week. After that, we can count down to all of the exciting plans to celebrate their time at Northway- please look out for the Leavers' letter sent home today with more details.

Sefton Children's Services

Sefton Children's Services are launching a new front door into their services from 1st May.

Two new teams Sefton Children's Help and Advice Team (CHAT) and Sefton Family Advice and Support Team (FAST) will be available for professionals and public to contact if they have a concern about a child and a social worker is needed, think a family might benefit from early help support or need some general advice and support as to services on offer in Sefton.

CHAT can be contacted on 0151 934 4013.

FAST can be contacted on 0151 934 4545.

This new model replaces the old method of referral in to Sefton Children's services via email/paper and instead aims for a high quality conversation to take place to understand that family better and find the most appropriate support.

You can find out more on our website

Y1 & 2 Trip to Martin Mere

The children had a brilliant day on Wednesday on their school trip to Martin Mere. Linked their Science work, the children took part in a range of activities throughout the day which involved being pond explorers and plant detectives. The behaviour of the pupils was exemplary and it was lovely to hear members of the public comment on how well behaved the children were during the day. Lots of the children commented that it had been "the best day ever!"

Boys' and Girls' Football Teams

A big well done to our boys' football team who have played a couple of their MADCOS league games over the past week, facing Green Park and Aintree Davenhill. The boys lost 1-0 and 4-1 but they played brilliantly in both games and showed a fantastic attitude throughout the matches. The boys have lots of games to play between now and the half-term break and it has been fantastic to see them enjoy their football so much, showing great togetherness.

A massive well done to our girls' football team who made history last week when they recorded Northway's girls' first ever victory! The team won 4-1 against Aintree Davenhill and every single member of the squad was incredible. The improvement in the team since the start of the year has been quite amazing and it was fantastic to see their hard work pay off with their first win. The celebrations after the game will live long in the memory and all of the girls deservedly got a huge cheer from the rest of the school in our assembly last week!
